Re: Receipt of Permit Application Fee, Notice of Intention to Commence Small Mining Operations,  
Martinique Mining, Bartons Peak/Butler Wash Project, S/017/045, Garfield County, Utah

Dear Mr. Wilson:

Thank you for your \$100.00 permit application fee which was received by the Division on May 5, 1999. The application for the proposed Bartons Peak/Butler Wash Project, located in the SE1/4 of the SE1/4 of Section 35, T31S, R10E, SLBM, Garfield County, Utah is now considered in effect and no additional information is required by the Division at this time.

If you wish to expand your operation beyond the five (5) acre limitation, please notify our office as soon as possible to discuss the necessary permitting requirements. Approval of a large mining notice could take from six to twelve months or longer.

Thank you for your cooperation. When in the area, a member of the Division staff will examine the site. Best wishes with your mining operation.

Sincerely,

Tom Munson  
Senior Reclamation Specialist
